INTRO: **D / C / D / C / D / C / D7↓ [Stop]**

G Em Am D7
I wish I was a spaceman, the fastest guy alive

G Em Am D7
I'd fly you round the universe in Fireball XL-5

G Em Am D / C / D↓ [Stop]
Way out in space together, conquerors of the skies

n/c G Em
My heart would be a fireball, a fireball

C D7 G D7
Every time I gazed into your starry eyes.

G Em Am D7
We'd take the path to Jupiter, and maybe very soon

G Em Am D7
We'd cruise along the Milky Way and land upon the Moon

G Em Am D / C / D↓ [Stop]
To a wonderland of stardust, we'd zoom our way to Mars

n/c G Em
My heart would be a fireball, a fireball

C D7 G D7
'Cause you would be my Venus of the stars.

But though I'm not a spaceman, famous and renowned

G Em Am D7
I'm just a guy that's down to earth, with both feet on the ground.

G Em Am D / C / D↓ [Stop]
It's all imagination, I'll never reach the skies

n/c G Em
My heart is still a fireball, a fireball

C D7 G D7
Every time I gaze into your starry eyes,

G Em C D7 G D7
A fireball, a fireball, every time I gaze into your starry eyes,

G Em C D7 G / C / G↓
A fireball, a fireball, every time I gaze into your starry eyes,
