C              Am           F        G7
Each time we have a quarrel,   it almost breaks my heart,
C           Am        F         G7
Cause I am so afraid,     that we will have to part,
C           Am      F         G7
Each night I ask the stars up above,
C [Stop]      Am [Stop]      F [Stop]   G7
Why  must  I  be  a         teenager   in  love?
```
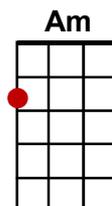

Am

```
C         Am            F         G7
One day I feel so happy,     next day I feel so sad,
C         Am        F         G7
I guess I'll learn to take,    the good with the bad,
C           Am      F         G7
Each night I ask the stars up above,
C [Stop]      Am [Stop]      F [Stop]   G7
Why  must  I  be  a         teenager   in  love?
```
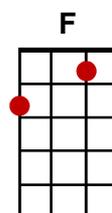

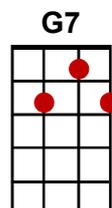

F

```
   F        G7    F            G7
   I cried a tear,    for nobody but you,
   F        G7         F               G7
   I'll be a lonely one if you should say we're through
```

G7

```
   C            Am          F            G7
Well if you want to make me cry,    that won't be so hard to do,
C              Am          F            G7
And if you should say goodbye,    I'll still go on loving you,
C           Am      F         G7
Each night I ask the stars up above,
C [Stop]      Am [Stop]      F [Stop]   G7
Why  must  I  be  a         teenager   in  love?
