

# We Have It All

(Ian McArthur  
Gloucester Strings Ukulele Experience)

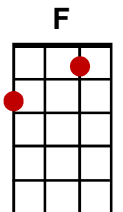

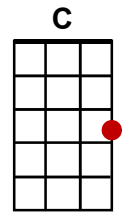

INTRO: C F G7 C [Stop]

C F G7 C  
We play our ukes for joy and fun and try to add some cheer,

F G7 C  
Gloucestershire's our county and we love its atmosphere.

F G7 C  
Our players come from far and wide, from Hatherley to Bream,

F G7 C [Stop]  
To bring a smile to all our friends, both seniors and teens.

CHORUS: n/c C F G7 C  
Oh...oh...oh Gloucestershire, Gloucestershire, I think we have it all,

F G7 C  
From martial arts to kids go-karts, you're sure to have a ball,

F G7 C  
There's city and there's forest, with a river in between,

F G7 C  
And the most amazing rugby team that you have ever seen.

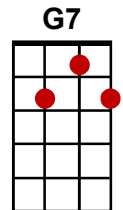

C F G7 C [Stop]

C F G7 C  
There's shopping in the city and there's shopping in the Quays,

F G7 C  
Designer clothes and cosy toes, there's all you'll ever need,

F G7 C  
But set aside the shopping bags and rest your tired bones,

F G7 C [Stop]  
The restaurants and coffee shops say "welcome to our homes"

CHORUS: C F G7 C  
Oh...oh...oh Gloucestershire, Gloucestershire, I think we have it all,

F G7 C  
From martial arts to kids go-karts, you're sure to have a ball,

F G7 C  
There's city and there's forest, with a river in between,

F G7 C  
And the most amazing rugby team that you have ever seen.
