

Play That Ukulele

Words and music by Alison Trelfa

INTRO: Cmaj7 C6 Cmaj7 C6

Cmaj7 C6 Cmaj7 C6
Sitting strumming old songs and creating new ones

Cmaj7 C6 Dm G7
Listening to the birds up in the trees,

Dm G7 Dm G7
Back and forth on my swing, strumming my four-string

Dm G7 Cmaj7 C6
How could I be anything but pleased?

Cmaj7 C6 Cmaj7 C6
Bathed in glorious sunshine just taking my time

Cmaj7 C7 F F
Life is so peaceful here,

F C
How could I ask for more, sitting down right by the shore,

Dm G Cmaj7 C6 // C7 //
Life is full of happiness and cheer.

Chorus:

F C
Just play that ukulele, and there's a chance that maybe

G G7 Cmaj7 C6 // C7 //
I could make you better with a song.

F C
No need to be downbeat, when you can tap your feet,

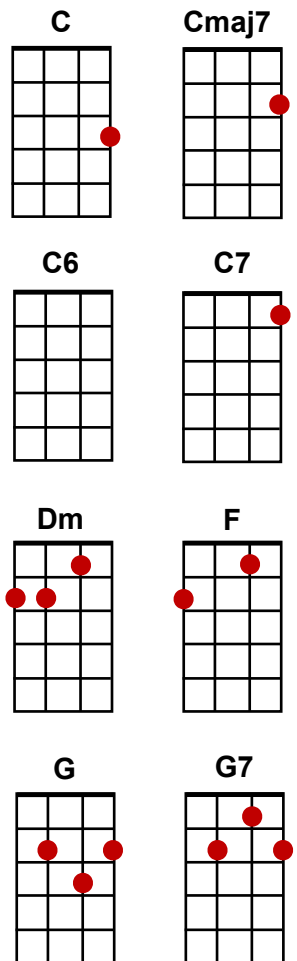

Dm G Cmaj7 C6 // C7 //
It might help you right some of what's... wrong.

Cmaj7 C6 Cmaj7 C6
Decades of creation before me in notation

Cmaj7 C6 Dm G7
Is it any wonder that I sing

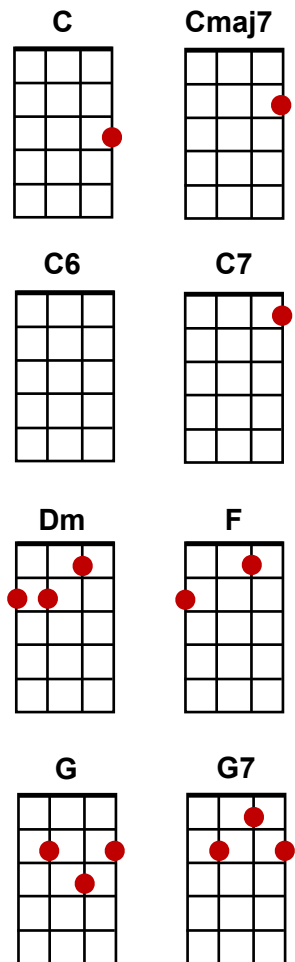

Dm G7 Dm G7
Songs with deep emotion from sadness to devotion

Dm G7 Cmaj7 C6
And all the highs and lows that life can bring.
