

Rhinestone Cowboy

Glenn Campbell (1975, Larry Weiss)

Intro: Rolling C

I've been walkin' these streets so long
Singin' the same old song

I know every crack in these dirty sidewalks of Broadway
Where hustle's the name of the game

And nice guys get washed away like the snow and the rain

There's been a load of compromisin'
On the road to my horizon

But I'm gonna be where the lights are shinin' on me

Chorus:

Like a rhinestone cowboy
Riding out on a horse in a star-spangled rodeo
Like a rhinestone cowboy
Getting cards and letters from people I don't even know
And offers comin' over the phone.

Well, I really don't mind the rain
And a smile can hide all the pain

But you're down when you're ridin' the train that's takin' the long way
And I dream of the things I'll do
With a subway token and a dollar tucked inside my shoe.
