

# Snowbird

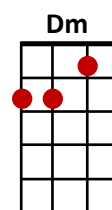

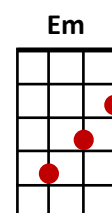

(Words and Music by Gene MacLellan) Anne Murray

Intro: Rolling C

**C** **Em** **Dm** **Dm**  
Beneath its snowy mantle cold and clear  
**G7** **C** **C**  
The unborn grass lies waiting for its coat to turn to green  
**Em** **Dm**  
The snowbird sings a song he always sings  
**G7** **C** **C**  
And speaks to me of flowers that will bloom again in Spring

**C** **Em** **Dm** **Dm**  
When I was young my heart was yearning too  
**G7** **C** **C**  
Any thing that it would tell me that's the thing that I would do  
**Em** **Dm** **Dm**  
But now I feel such emptiness within  
**G7** **C** **C**  
For the thing that I want most in life's the thing I can't win

Chorus:

**C** **Em** **Dm** **Dm**  
Spread your tiny wings and fly away  
**G7** **C** **C**  
And take the snow back with you where it came from on that day  
**C** **Em** **Dm** **Dm**  
The one I love forever is untrue  
**G7** **C** **C**  
And if I could, you know that I would fly away with you  
**C** **Em** **Dm** **Dm**  
The breeze along the river seems to say  
**G7** **C** **C**  
That you'll only break my heart again should I decide to stay  
**C** **Em** **Dm** **Dm**  
So little snowbird take me with you when you go  
**G7** **C** **C**  
To the land of gentle breezes where the peaceful waters flow
