

Stuck in the Middle With You (in A)

Stealers Wheel / Gerry Rafferty & Joe Egan

INTRO: A A A A

Well, I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down those stairs
Clowns to the left of me, jokers to the right
Here I am stuck in the middle with you.

Yes, I'm stuck in the middle with you
And I'm wondering what it is I should do
It's so hard to keep this smile from my face
Lose control, I'm all over the place
Clowns to the left of me, jokers to the right
Here I am stuck in the middle with you.

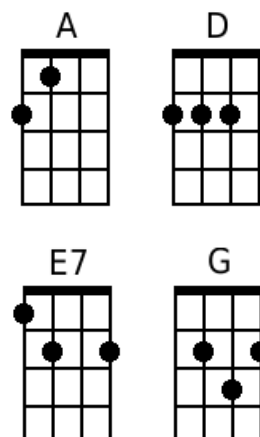

Well you started off with nothing
And you're proud that you're a self-made man
And your friends, they all come crawling
Slap you on the back and say plee-eea-se, plee-eea-se

Instrumental (chords from verse 1): A A, A A, D D, A A
E7 G// D// A A
