You can burn my clothes up when I am gone

Or you can tell your friends just what a fool I've been

Oh you can tell my feet to hit the floor

Or you can tell my lips to tell my fingertips

They won't be reaching out for you no more

But don't tell my heart, My achy breaky heart

I just don't think he'd understand

And if you tell my heart My achy breaky heart

He might blow up and kill this man

3. You can tell your ma I moved to Arkansas
(G7)
Or you can tell your dog to bite my leg

Or tell your brother Cliff whose fist can tell my lip

(G7)
Myself already knows I'm not OK

Or you can tell my eye to watch out for my mind
C
It might be walkin' out on me today

Ae Fond Kiss – Robert Burns (1791)

```
C                  F       Am
Ae fond kiss, and then we sever
                  G       C
Ae farewell, and then forever
F                    C          Am
Deep in heart-wrung tears I'll pledge thee,
C       Am        G                 C
Warring sighs and groans I'll wage thee...

C                   F        AM
Who shall say that Fortune grieves him?
                    G         C
While the star of hope she leaves him
F                 C       AM
Me nae cheerful twinkle lights me,
C       AM     G             C
Dark despair around benights me...

C                    F        AM
I'll ne'er blame my partial fancy:
                   G      C
Nothing could resist my Nancy
F               C       AM
But to see her was to love her
C        AM        G         C
Love but her, and love for ever...

C              F         AM
Had we never loe'd sae kindly,
               G         C
Had we never loe'd sae blindly,
F                 C     AM
Never met - nor never parted –
C       AM        G           C
We had ne'er been broken-hearted...

 C                     F          AM
Fare thee weel, thou first and fairest
                      G         C
Fare thee weel, thou best and dearest
F               C        AM
Thine be ilka joy and treasure,
