(The Searchers, 1964)

INTRO: F (x4)

**F** **F**  
I can feel a new expression on my face,  
**C** **C**  
I can feel a glowing sensation taking place.

**Bb** **C** **F** **Dm**  
I can hear the guitars playing lovely tunes,

**Bb** **Am** **C** [Stop] **n/c** **F** **F**  
Every time that you walk in the room.

**F** **F**  
I close my eyes for a second and pretend it's me you want,

**C**  
Meanwhile I try to act so nonchalant.

**Bb** **C** **F** **Dm**  
I see a summer's night with a magic moon,

**Bb** **Am** **C** [Stop] **n/c** **F** **F**  
Every time that you walk in the room.

**Bb** **Am** **C**  
Ba...by, it's a dream come true,

**Bb** **Am** **C**  
Walking right alongside of you,

**F** **Dm**  
Wish I could tell you how much I care,

**G** **C** **C7**  
But I only have the nerve to stare.

**F** **F**  
I can feel a something pounding in my brain,

**C** **C**  
Just anytime that someone speaks your name.

**Bb** **C** **F** **Dm**  
Trumpets sound and I hear thunder boom,

**1st time only** **Bb** **Am** **C** [Stop] **n/c** **F** **F** (REPEAT from the bridge)

**2nd time** **Bb** **Am** **C** [Stop] **n/c** **F** **F**  
Every time that you walk in the room.

Every time that you walk in the room.
